# Wear Orange

## June 7-9th

National Gun Violence Awareness

The first Friday in June is National Gun Violence Awareness Day when in Illinois we honor and remember all victims and survivors of gun violence.

**Wear Orange** is an opportunity to demonstrate as a community that there is a need to prevent gun violence. By coming together with a wide range of organizations, candidates, elected officials and influencers, we can find ways to curb gun violence.

*Join us as part of the  
Everytown for Gun Safety Community*

### Gun Safety

Linda is a Gun Sense Candidate. She believes that sensible gun laws are necessary to ensure the safety of people. In the wake of mass shootings at schools, stores, churches, and parades, it's imperative that we take action to prevent such tragedies from happening again. While mental health funding definitely needs to be increased, it's not the only solution. We need sensible policies that keep guns out of the hands of people who are unstable. Sensible gun laws include requiring background checks for private and gun show sales, as well as a national red flag law. Requiring a license before a gun purchase is sensible.

**Let's work together to ensure that our communities are safe and secure.**
