

Dear Friend:

Are you available to lend a hand to Linda's campaign right now?

We've got 20,000 door hangers that need rubber bands stapled to them, and it's an easy task.

We are also looking for people who would walk with Linda as she knocks on doors. She needs help with taking notes and helping with driving to neighborhoods. Linda goes out almost every day and has already reached thousands of doors - but has tens of thousands more! A fun way to get your steps in!!

Would you have time to help? If so, please email us at info@votelinda65.com. We will get you the training, materials and work with your schedule.

Your willingness to assist is greatly appreciated. Whatever you're able to do will make a real difference.

Thank you!

Team Linda
