As Kamala said in her acceptance speech:

***It is now our turn to do what generations before us have done. Guided by optimism and faith, to fight for this country we love. To fight for the ideals we cherish. And to uphold the awesome responsibility that comes with the greatest privilege on Earth. The privilege and pride of being an American. So, let's get out there and let's fight for it. Let's get out there and let's vote for it.***
